Subject: Oil Pickup at HHW Events

Good morning Charity.

I hereby confirm what we discussed earlier this week regarding used oil pickup at our HHW events. Going forward and starting tomorrow, we want Stericycle to take the used oil we collect in drums and to field test it for Halogens by U.S. EPA SW-846 Method 9077/ASTM Method D-5384

Please acknowledge.

Regards,

Johnny Laguna | Operations Manager
