The Florida Department of Environmental Protection has reviewed your application for registration as a transporter or handler of universal waste lamps and devices destined for recycling. Based on the information received, the facility located at 8505 NW 74th St, Miami, FL 33166-2327 has been registered through March 1, 2018 with the following status:

Facility ID # FL0000702985
Transfer Facility for Universal Waste Lamps and Devices
Transfer Facility for Universal Waste Devices
Small Quantity Handler Facility for Universal Waste Lamps and Devices
(Less than 2,000kg of Lamps (8,000) and/or 100kg of Devices at any one time)

Requirements for packaging, training and recordkeeping for transporters and handlers of universal waste lamps or devices destined for recycling are contained in Chapter 62-737, Florida Administrative Code (F.A.C.). These requirements are simple, flexible, and make good business and environmental sense. The requirements and fact sheets summarizing them can be found on the following website:
http://www.dep.state.fl.us/waste/universalwaste/transporters_handlers_registration.htm

This registration does not allow you to transport or handle universal waste lamps or devices which are destined for landfill or any other disposal. The transportation or handling of universal waste lamps or devices destined for disposal is subject to our hazardous waste management regulations under Chapter 62-730, Florida Administrative Code (F.A.C.).

The renewal notice for this registration will be sent to the contact person on your application. If any of your facility's information changes, please notify the Department using the Florida Notification of Regulated Waste Activity, DEP Form 62-730.900(1)(b), F.A.C.

If you have any questions, you may contact me at (850)245-8705 or Glen.Perrigan@dep.state.fl.us.
