John,

We have received the electronic copies of the partial RAI Responses sent on September 9, 2018. As you indicated on the phone and in previous correspondence, an extension is needed for preparation / submittal of the site plan that shows the facility location, boundary survey, and legal description of the property.

Your request for extension is approved; please provide the remaining Solid Waste response items by September 21, 2018.

Subject: Raider Opa Locka time extension request

I would like to request an extension until 9/14/2018 to submit the Solid Waste response to the Department's Request for Additional Information. Thank you for your consideration.
