Good Afternoon Mr. Brown,

As we discussed on the phone, please see the attached inspection report detailing my time on site at Opa-Locka Pump Station #14 on Monday, November 5, 2018. Mike Graham was originally on site on Friday, November 2 and can better speak to those details.

For further questions it would be best to speak with Sharon Crabtree, Code Enforcement Officer 2, who has the most up-to-date details on the situation. She can be reached by email at Sharon.Crabtree@miamidade.gov or by phone (305) 372-6916.

Please let me know if I can be of any further assistance,

Thank you,

Danielle Jimenez
