Subject: Status Update - Supplemental Site Assessment - Perma-Fix of Florida, Gainesville - Fac ID FLD 780 7111 071 (COM_17680)

Mr. Buselli,

We have received the most recent soil testing results for the supplemental assessment effort for the subject site. The results confirm that our field efforts are now complete and report compilation is currently in progress. Based upon the receipt date of the most recent sampling results (2/12/19), we understand that the due date for the Supplemental Site Assessment Report is April 13, 2019. Please be advised that the contact information for Perma-Fix has changed. For future environmental correspondence related to this matter, please direct the communications to the attention of Mr. Michael S. Shuler at mshuler@perma-fix.com or (352) 395-1347 and please continue to copy me.

Respectfully submitted,

William C. (Bill) Kelly, PG
Senior Project Manager
