ANNUAL OPERATING PERMIT**

DESCRIPTION OF FACILITY / EQUIPMENT

This document issued under the provisions of Chapter 24, Miami-Dade County Environmental Protection Ordinance (MCOEPT), shall be valid from November 18, 2013 through December 31, 2014. The owner must, as hereby authorized to operate the facility at the above location which consists of the following:

1,600 cubic yard landfill waste storage facility.

This facility is subject to conditions listed below and in the following pages (if any) of this permit.

FACILITY OPERATIONS

The hazardous waste storage facility shall be operated in strict accordance with the information submitted in reference to the permit application dated August 5, 2013; supplemental information received on October 9, October 28 and November 6, 2013 and as amended by this permit.

The facility shall operate in strict accordance with the Miami-Dade County Public Works and Waste Management Department (PWWM) memorandum dated November 14, 2013.

Material accepted at the facility shall be limited to household waste.

24-hour access control shall be maintained along the perimeter by means of a physical barrier (e.g., fence, wall, fence, etc.) and/or an interlocking gate, locked gate, gate, etc.)

A representative of the operator, knowledgeable in the permit conditions, shall be on-site whenever material is received, handled or removed.

All wastes from facility operations shall be handled, stored, transported and disposed of in compliance with County, State, and Federal regulations and guidance documents.
