In an effort to provide a more efficient service, the Florida Department of Environmental Protection's Hazardous Waste Program and Permitting section is forwarding the attached document to you by electronic correspondence "e-correspondence" in lieu of a hard copy through the normal postal service.

We ask that you verify receipt of this document by sending a "reply" message to epost_hwrs@dep.state.fl.us. (An automatic "reply message" is not sufficient to verify receipt). If your email address has changed or you anticipate that it will change in the future, please advise accordingly in your reply. You may also update this information by contacting Kim Thursby at (850) 245-8792.

The attached document is in "pdf" format and will require Adobe Reader 6 or higher to open properly. You may download a free copy of this software at www.adobe.com/products/acrobat/readstep2.html.

Your cooperation in helping us affect this process by replying as requested is greatly appreciated. If you should have any questions about the attached document(s), please direct your questions to the contact person listed in the correspondence.

Bryan Baker, P.G.

RE: **Used Oil and Material Processing Permits Related Documents** dated March 14,
2019
Heritage Crystal Clean, Pompano Facility; FLD 984 262 410

Dear Ms. Decina:

The Department has reviewed the above referenced document regarding the site closure assessment of the Used Oil and Material Processing facility located at 1280 NE 48th St, Pompano Beach, Florida. The assessment addresses the requirements for closure of a Used Oil permitted facility under Chapter 62-710, Florida Administrative Code (F.A.C.).

Based on all the submittals received and reviewed, the Department accepts that the closure activities required by your permits have been met. All the outstanding permit obligations are ended.

Should you have any questions, please contact Bheem Kothur, P.E., at 850-245-8781 or via email at bheem.kothur@floridadep.gov.

Sincerely,

A handwritten signature in cursive script that reads "Bryan Baker".

Bryan Baker, P.G., Administrator
Hazardous Waste Program and Permitting

BB/bk

Ms. Anita Decina, President
