In an effort to provide a more efficient service, the Florida Department of Environmental Protection's Hazardous Waste Program and Permitting section is forwarding the attached document to you by electronic correspondence "e-correspondence" in lieu of a hard copy through the normal postal service.

We ask that you verify receipt of this document by sending a "reply" message to epost_hwrs@dep.state.fl.us. (An automatic "reply message" is not sufficient to verify receipt). If your email address has changed or you anticipate that it will change in the future, please advise accordingly in your reply. You may also update this information by contacting Kim Thursby at (850) 245-8792.

The attached document is in "pdf" format and will require Adobe Reader 6 or higher to open properly. You may download a free copy of this software at www.adobe.com/products/acrobat/readstep2.html.

Your cooperation in helping us affect this process by replying as requested is greatly appreciated. If you should have any questions about the attached document(s), please direct your questions to the contact person listed in the correspondence.

Re: **Interim Measures Work Plan for SWMU 49** dated May 14, 2019
Lockheed Martin MFC; FLD 060 240 207

Dear Mr. Turner:

The Department has reviewed and approves the referenced document that proposes excavation of soil and groundwater remedial action at Solid Waste Management Unit 49. Please submit the Site Rehabilitation Completion Report within 60 days of project completion.

If you have any questions, please contact Bob Cook at 850-245-8771, or via email at Robert.Cook@floridadep.gov.

Sincerely,

A handwritten signature in cursive script that reads "Bryan Baker".

Bryan Baker, P.G., Administrator
Hazardous Waste Program and Permitting

BB/bb
