Hello Shannon. I sent this to Beth but apparently she has retired. Are you my point of contact now?

Regards,
Ed Kinley

Beth – we got started at McKay Bay last week on our P3 project. We estimate that 120 Lbs. of debris was removed. We expect another service the week of the 27th. I'm developing a spreadsheet to show our expenditures. I'll send you a draft soon.

Regards,
Ed Kinley
