Subject: "Safety-Kleen Tallahassee Permit Renewal Application RAI Response"

Hello Carrie,

Safety-Kleen is requesting a second extension of the deliverable due date for the Response to the Request for Additional Information (RAI) for Safety-Kleen Tallahassee facility. The original due date of November 10, 2019 was extended to December 6, 2019. We would appreciate the Department extending the deliverable due date again to Monday, December 16, 2019 so that we can ensure we have completed all of the edits and additional information requested in the Department's RAI dated October 11, 2019.

Thank you, Jeff
