Hi Carrie,

Attached are the public notice documents for the Safety-Kleen Tallahassee permit renewal. The radio broadcast took place on 1/6/2020 & the newspaper notice took place on 1/8/2020. Sorry for the delay, but it took quite a while for me to get the newspaper affidavit sent back to me.

Thank you,

Jeff

Jeff, we are fine with the Safety-Kleen receipt date of 12/30/19 for the Intent to Issue documents related to the referenced permit.

Please ensure that broadcast and notice for the radio and the newspaper are completed prior to January 29, 2020.

Hi Carrie,

I was out on vacation when it was sent, but came back to work on December 30/31. Looking back through my e-mails I did receive the message below. I will begin contacting organizations for completing the public notice today. For tracking purposes, I believe we would use 12/30/19.

Thank you,

Jeff

Jeff, just making sure you received this – and also please let me know what date you received it so that I can track the 30 days' time period you have in order to do the Radio Broadcast and the Newspaper Notice.... Thank you!

Kind regards,

Carrie

FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE OF INTENT TO ISSUE

THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) GIVES NOTICE OF ITS INTENT TO ISSUE AN OPERATING PERMIT UNDER SECTION 403.722, FLORIDA STATUTES (F.S.), AND CHAPTERS 62-4 AND 62-730 OF THE FLORIDA ADMINISTRATIVE CODE (F.A.C.) TO SAFETY-KLEEN SYSTEMS, INC. This permit relates to Safety-Kleen Systems, Inc., 4426 Entrepot Boulevard, Tallahassee, Leon County, Florida 32310, Facility ID Number FLD 982 133 159, will be issued by FDEP's Hazardous Waste Program & Permitting section, as authorized pursuant to the Resource Conservation and Recovery Act and the Hazardous and Solid Waste Amendments (RCRA/HSWA).

The draft RCRA Operating Permit (enclosed) contains the conditions for Operating Permit Number 009207-011-HO, intended for the operation of hazardous waste container storage and hazardous waste tank storage units, and implementation of corrective action requirements under FDEP's authorized program for the federal Hazardous and Solid Waste Amendments (HSWA) at Safety-Kleen Systems, Inc.'s facility in Tallahassee, Florida.

Copies of the application and the draft Operating Permit are available for public inspection during normal business hours 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at FDEP's Northwest District Office, 160 Government Center, Pensacola, Florida 32502, and at FDEP's Permitting & Compliance Assistance Program, Division of Waste Management, Bob Martinez Center Office Building, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, (850) 245-8765. Electronic copies of the application and draft Operating Permit can be accessed in the Department's OCULUS data system located at <http://depdms.dep.state.fl.us/Oculus/servlet/login>

A person whose substantial interests are or will be affected by the Intent to Issue may petition for an administrative determination (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in FDEP's Office of General Counsel, Agency Clerk, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000 or agency.clerk@dep.state.fl.us. Petitions filed by the permit applicant and any parties entitled to written notice under Section 120.60(3), F.S. must be filed within 45 days of receipt of the Intent. Petitions filed by any other persons must be filed within 45 days of publication of this notice or receipt of the Intent, whichever occurs first. A petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within this time period shall constitute a waiver of that person's right to request a hearing under Sections 120.569 and 120.57, F.S. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

(a) The name, address, and telephone number of each petitioner, the applicant's name and address, the Department Permit File Number and the county in which the project is proposed; (b) A statement of how and when each petitioner received notice of the Department's action or proposed action; (c) A statement of how each petitioner's substantial interests are affected by the Department's action or proposed action; (d) A statement of all material facts disputed by petitioner, or a statement that there are no disputed facts; (e) A statement of facts which petitioner contends warrant reversal or modification of the Department's action or proposed action; (f) A statement of which rules or statutes the petitioner contends require reversal or modification of the Department's action or proposed action; and (g) A statement of the relief sought by petitioner, stating precisely the action petitioner wants the Department to take with respect to the Department's action or proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Any person may request a public meeting regarding the proposed permitting decision pursuant to Section 403.722(10), F.S. A request for a public meeting is not equivalent to a request for a formal or informal administrative hearing. Public meetings are not evidentiary in nature, and information submitted at a public meeting is for non-binding consideration only. A public meeting is not subject to court or appellate review. A request for a public meeting must be filed (received) in the Office of General Counsel, Agency Clerk, within 45 days of publication of this notice. Failure to file a request for a public meeting within this time period shall constitute a waiver of any right such a person may have to request a meeting under Section 403.722(10), F.S.

Mediation is not available in this proceeding.

FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF INTENT TO ISSUE

The Florida Department of Environmental Protection ("the Department") gives notice that it has determined to issue an Operating Permit to Safety-Kleen Systems, Inc., and authorizes Safety-Kleen Systems, Inc. to operate hazardous waste container and hazardous waste tank storage units and implement corrective action requirements under the Department's authorized program for the federal Hazardous and Solid Waste Amendments (HSWA) at their facility located in Tallahassee, Leon County, Florida.

A person who is substantially affected by the Department's action may request a hearing in accordance with Sections 120.569 and 120.57, Florida Statutes. Any person who opposes the Department's action may submit comments or request a public meeting. A request for a public meeting is not equivalent to a petition for hearing. Comments are for non-binding consideration only. Any request must be received by the Department within 45 days of this announcement. For more information concerning requirements of the petitioning process and the necessary time frames for filing a petition, submitting comments or requesting a public meeting, or obtaining a copy of the permit, please contact the Office of General Counsel in Tallahassee at (850) 245-2242, or 3900 Commonwealth Blvd, MS 35, Tallahassee, FL 32399.

Mediation is not available in this proceeding.
