Dear Justin Plant:

To provide more efficient service, you are receiving the attached document by electronic correspondence (email) instead of a paper copy through the normal postal service.

The attached document is in "PDF" format and will require Adobe Reader 6 or higher to open properly. Contact http://www.adobe.com/products/acrobat/readstep2.html to download a free copy.

You may check the current status of your facility on the following website: http://appprod.dep.state.fl.us/www_RCRA/Reports/handler_sel.asp. Use your EPAID number from the attached notification letter. Be sure to first delete the "%" in the line that asks for your EPA ID number.

If you have any changes like a new address, a new contact person or a change in regulated activities, please update at any time during the year by submitting a new "8700-12FL - Florida Notification of Regulated Waste Activity" form. The form can be downloaded from here: http://www.dep.state.fl.us/waste/categories/mercury/pages/registration.htm.

Please feel free to contact me with any questions.

Thank you,

Susan Horlick
