HMIS Rating

Health = 3

Flammability = 2

Reactivity = 0

PRECAUTION

Do not ingest. Do not get in eyes or on skin or clothing. Do not breathe vapor or mist. Keep container closed. Use only with adequate ventilation. Wash thoroughly after handling.

FIRST AID

EYES: In case of contact, flush eyes with water for 15 minutes. Get medical attention if symptoms occur or if irritation continues.

SKIN: In case of contact, flush skin with plenty of water. Remove contaminated clothes and shoes. Get medical attention if symptoms occur.

INGESTION: Contact a physician or Poison Control Center immediately! Inducing vomiting should only be performed under the direct supervision of medical personnel. If the person is conscious, have victim rinse mouth with water. Give one to two glasses of water to drink to dilute material in the stomach. Never give anything by mouth to an unconscious or convulsing person.

INHALATION: If inhaled, remove to fresh air. If breathing is difficult, give oxygen. Get medical attention if symptoms occur.

DANGER

Corrosive liquid.

May cause eye, skin, and respiratory irritation. May be harmful if swallowed. Inhalation may cause central nervous system effects. For industrial use only. Wear appropriate PPE and practice good chemical hygiene.

WORKERS' COM

$25,000 Reward

If you are injured on the job:

1. Notify your employer immediately to get the name of an approved physician. Workers' comp insurance may not pay the medical bills if you don't let the employer know you have been injured.

2. Remind the doctor and medical staff that you are covered under workers' comp.

3. If you have any problems with your claim or suffer excessive delays in treatment, contact the Division of Workers' Compensation at 1-800-342-
