Mr. Steve Obst
Raider Environmental Services, Inc.
4103 NW 132nd Street
Opa-locka, Florida 33054

Re: FLR 000 143 891 – Raider Environmental Services (Opa-Locka)
FLR 000 176 271 – Raider Environmental Services (Mulberry)

Dear Mr. Obst:

My review of the financial assurance file for the above referenced facilities reveals it is in order. BankUnited, National Association letter of credit number STB20000057 with the aggregate amount of \$140,000 adequately covers the 2019 Department approved closing cost estimates of \$58,804.00 for the Mulberry facility and \$79,610.00 for the Opa-Locka facility as referenced above. In addition, your standby trust fund agreement with Coral Gables Trust Company remains in good standing. Therefore, the Raider Environmental Services, Inc. facilities are in compliance, at this time, with the financial assurance requirements of Rule 62-701.630, Florida Administrative Code, that adopts 40 CFR Part 264, Subpart H, by reference in.

Please contact me at (850) 245-8740 if you have any questions.

Sincerely,

A handwritten signature in dark ink, appearing to read "SEldredge".
