Oily Waste: <u>N/A</u>	Muck / Solids: <u>N/A</u>
Oily Water Slops: <u>N/A</u>	Other: <u>8 GARBAGE BAGS\ 10LBS EACH</u>

COMMENTS / NOTES Anything else that will be helpful to generating an invoice!!

The brush is overgrown making it hard for UES personnel to move around . Their is a tree that hangs over the water that the buoy is getting hung up on and it creates trash buildup that escates the buoy once we pull it out from the tree. Recommendation would be to cut the over hang.
