RHWT	06/26/2020	Email sent to Jonathan: The address on the recently submitted 8700_12FL does not match address in our data. It appears you have moved. In order to do a change of location you will need to submit an 8700-12FL Florida Notification of Regulated Waste Activity (blank forms attached) for your current location; check the third box "Closing" on the top of page 1 and fill out the form with all pertinent information, including item 11.B.(1) "Closed at this location and moved or moving to another". Sign, date and mail to us at the address shown at the top of page 1 of the form. This will close your FL HWT registration at the current location. Then you will also need to submit the entire set of documents (8700 Form and HWT Certificate of Liability Insurance) for your new location. You will actually receive a new Florida HWT registration for the new location and we will issue a new EPA ID# for this new registration location. For the new location you will check the box "Initial Notification" at the top of page 1 of the 8700 Form. In this case we will accept the 8700 Form you already submitted for the new location. Please mail the required forms to: DEP Waste Management Division-HWPP, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400 Let me know if you have any questions. Sincerely,	HORLICK_S
