Good afternoon Mr. Drew,

This email serves as an exit interview for the Compliance Evaluation Inspection conducted on Tuesday, August 18, 2020 by the Florida Department of Environmental Protection ("Department") to determine compliance with federal and state regulations for hazardous waste.

During the inspection no noncompliance issues were observed. At the moment I do not require any additional records. However, if I do I will contact you in the near future.

Thank you Mr. Drew for your time and hospitality during the Department's inspection. Stay safe!

Regards,
