Florida DEP,

I hope this email finds you well. Ms Hernandez inspected Freehold Cartage Inc Bartow, FL, 10 day storage facility on February 19, 2019, and Ms Bridges assisted in the inspection.

I am writing this on behalf of Freehold Cartage Inc to self-report an over 10 day storage limit violation on attached hazardous waste manifest 021724196JJK. The manifest was shipped to Freehold Cartage Inc(FCI) Bartow FL on 2/12/21 on FCI trailer 4740. The manifest and material departed FCI on 2/13/21 at 5 pm and arrived at Clean Harbors El dorado, AR, at 2/15/21 0800 per the scheduled appointment. Due to snow storm in Arkansas the driver and trailer 4740 waited at Clean Harbors El Dorado, AR, TSDF from 2/15/21 0800 to 2/19/21 1500 at which time Clean Harbors stated there was no one available to receive the manifest. The manifest and trailer 4740 arrived back at FCI Bartow on 2/22/21 at 0800 and has been stored on our 10 day since. The generator US Ecology has been notified the load has been returned to FCI Bartow.

FCI was notified that Clean Harbors EL Dorado, AR, has sustained damage to the TSDF (frozen pipes burst at facility) and there is no time table to receive material as of today 3/1/21.

I have also attached the declaration from the Arkansas governor declaring the State of Emergency for AR from the FMCSA website.

Any questions please call 863-287-1830.

Regards,

Michael Hirst Terminal Manager
