Susan,

I did scroll up... The address listed on the registration is for the Tampa facility. The request is for the Jacksonville facility. Are the registration issued by facility? EPA#? Address?

Hello Susan,

This is a follow up to the several voicemails that have been left regarding the Mercury Handlers Registration. Attached are the registrations that were received. **There seems to be 2 registrations for Tampa and 1 for Atlanta.**

Can a copy of the registration for the **Jacksonville facility please be sent?**

If there is anything additional needed for the registration let me know via phone 708-616-7035 or tamisha.howard@univarsolutions.com; as the facility is in need of the registration at this time.

Respectfully,

Tamisha Causey-Howard
