RUOH	08/03/2021	<p>Email sent to Anne McNeil: In reviewing your submittal, we noticed additional information is needed. The Insurance form submitted is incorrect (see attached). UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Tuesday, August 17, 2021 to continue updating our database (see attached blank forms for your convenience): Revised Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original (hand signed) signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.</p> <p>Email sent to Anne McNeil: This request is past due. We have not received the required documents to update our database for your pollution liability Insurance. On August 3, 2021, we sent you an email requesting additional information (see the email below). This is a final reminder. If we do not receive the required documents by Wednesday, October 27, 2021, we will assume that you are no longer interested in updating the pollution liability policy and you will be minor out of compliance. Note: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original hand signed signatures to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any further questions.</p>	ASHWOOD_J
