RHWT	12/07/2021	Email sent to Erik Otto- I have attached the most recent Certificate of Liability Insurance Hazardous Waste Transporter and Used Oil Handler for this EPA ID number TXR000084869 we have on file. Since Nexeo Solutions LLC was bought out by Univar Solutions and you plan on having this location be the Primary Hazardous Waste Transporter, I HAVE to have the State of Florida insurance form on file first, before I can use an ACORD form to update the insurance. As soon as possible, please mail the required form with original (hand signed) signature to: DEP Waste Management Division-PCAP, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400 Let me know if you have any questions. Thanks	HORLICK_S

RUOH	12/13/2021	Email sent to Erik Otto: In reviewing your submittal, we noticed additional information is needed. UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Monday, January 3, 2021 to continue processing your UO registration (see attached blank forms for your convenience): Revised Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability, Annual Report, and Registration fee of \$100 made payable to the Florida Department of Environmental Protection via check or money order. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original (hand signed) signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.	ASHWOOD_J
