I, the undersigned do hereby certify to the best of my knowledge, the waste stream identified above has been generated without any changes in generating process since the last hazardous waste determination. In the event changes are made to the generating processes I the generator will inform Howco of these changes. This is to certify that the above named materials are properly classified, described, packaged, marked, and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation. If tendering PCW for shipment, I certify that the PCW does not contain levels of hazardous constituents above found in the source of PCW. By my signature below, I acknowledge and agree with the above and further acknowledge that I have read and agree to the provisions and terms set forth on the reverse side of this manifest.

constituents above found in the source of PCW. By my hand and the seal of the Commission, in testimony whereof, I have hereunto set my hand and the seal of the Commission, at Washington, D.C., this 14th day of May, 2014.
