Subject: Exit Interview for Healthcare Environmental Services (EPAID: FLR000234641)

This email serves as an exit interview for the compliance evaluation inspection of Healthcare Environmental Services on 08/10/2022. As a reminder, per 403.091 Florida Statute:

Any duly authorized representative of the department may at any reasonable time enter and inspect, for the purpose of ascertaining the state of compliance with the law or rules and regulations of the department, any property, premises, or place, except a building which is used exclusively for a private residence, on or at which:

1. A hazardous waste generator, transporter, or facility or other air or water contaminant source;
2. A discharger, including any nondomestic discharger which introduces any pollutant into a publicly owned treatment works;
3. Any facility, as defined in s. 376.301; or
4. A resource recovery and management facility

These inspections include entering the facility, inspecting facility equipment and processes, and reviewing the facility records. As discussed with Mr. Bohorque during the inspection, additional documentation is being requested to determine your facility's compliance with state and Federal hazardous waste regulations.

Please submit the following by 8/30/2022:

- **Hazardous waste manifests for all hazardous waste pharmaceuticals transported since the date of the last inspection (August 19, 2020)**

Per 40 CFR 263.22(a):

A transporter of hazardous waste must keep a copy of the manifest signed by the generator, himself, and the next designated transporter or the owner or operator of the designated facility for a period of three years from the date the hazardous waste was accepted by the initial transporter.

Please submit all hazardous waste manifests for waste transported by your facility from the date of the last inspection to now.

- **Certificate of liability insurance and currently valid hazardous waste transporter certificate, as required by 62-730.170 F.A.C.**

Please submit the Certificate of Liability Insurance Hazardous Waste Transporter and Used Oil Handler, Form 62-730.900(5)(a), and currently valid hazardous waste transporter certificate.

- **Training records for facility personnel who manage and transport hazardous waste as part of their daily job responsibilities**

Please submit records for all drivers who transport hazardous waste pharmaceuticals that demonstrate training in DOT / Hazardous Materials.

Thank you,

Tarin Tischler
