# ST. LUCIE COUNTY SITE DEVELOPMENT PLAN APPLICATION

## DIRECTIONS

Please complete the requested information below and submit all items to the St. Lucie County Department of Community Development, Planning Division, 2300 Virginia Avenue, Room 203, Ft. Pierce, Florida. All applications must be accompanied by the proper non-refundable application fee or they cannot be accepted for processing.

The development review check list included with this application is intended to assist in determining if the proper quantitative materials have been prepared for submission. The mere submission of all required materials does not assure automatic approval. Qualitative review of the submitted materials can only commence when all necessary information has been submitted. For additional details on the information necessary for site plan submission, please refer to Section 11.02.00, St. Lucie County Land Development Code.

For assistance in submitting this application, please contact the St. Lucie County Department of Community Development, Planning Division.

## DETERMINATION OF SITE PLAN TYPE

Minor Site Plans		Major Site Plans	
Required Review Fee (all sizes)	\$ 400	Required Review Fee	< 10 acres \$ 700 > 10 acres \$ 1000
<b>Residential Development:</b> Single family 3 to 10 divisions of property Multi-family < 50 dwelling units  <b>Non-residential Development:</b> 6,000 to 9,999 square feet; except for, Any use w/drive through facilities, <10,000 sf Any use w/fuel facilities, <10,000 sf		<b>Residential Development:</b> Single family - 11 divisions or more Multiple family - > 50 dwelling units  <b>Nonresidential Development:</b> Any use greater than 10,000 sf All commercial lodging	

## SUBMISSION OF APPLICATION

Submission of application of site plan approval are to be to the St. Lucie County department of Community Development, Planning Division, Room 203, 2300 Virginia Avenue, Ft. Pierce, Florida.

Initial submissions shall include the following:

- One (1) original copy of the site plan application,
- Ten (10) copies of the site plan graphics,
- Ten (10) copies of the required survey data,
- Four (4) copies of the required traffic and environmental assessment reports,
- Three (3) copies of the vegetation removal application,
- One (1) application for Certificate of Capacity (additional fee required),
- One (1) copy of the Preliminary Drainage Data (if available),
- One (1) copy of the aerial photograph,
- One (1) property location map - Tax Map; and,
- The required application fee.

Note: Modifications to these submission requirements may be agreed to during the Pre-application reviews conducted with the Department of Community Development.

## RESUBMISSION OF SITE PLANS

Any site plan required to be resubmitted following DRC review comments shall submit through the Department of Community Development the following:

- Ten (10) copies of the site plan,
- Four (4) copies of any amended reports; and,
- Additional information as requested.

## SUBMISSION OF FINAL SITE PLANS

Following a determination of sufficiency, the following materials shall be presented to the county for final site plan approval:

- Seventeen (17) copies of the site plan
- Seventeen (17) copies of the boundary and topographic survey
- One (1) 8 1/2 X 11 transparency of the site plan

# St. Lucie County Site Development Plan Application Check List

## Boundary & Topographic Information:
