MONTHLY SUMMARY

From August 1, 1995 to August 31, 1995

1. Tonnage In: 2,068.46

2. Tonnage Out:

Amount Recycled:

a. Whole Tires 152.20

b. TDF 879.51

c. Civil Engineering 0

Amount Landfilled 0

Total Out 1,031.71

3. Net Reduction for Period: (1,036.75)

Computation formula: Passenger tires at 20 lbs each, light truck at 40 lbs each and truck tires at 100 lbs each.

4. Ratio - Tons In:Tons Recycled

Current Period 49.88%

5. Passenger Tire Equivalents (PTE's) Recycled:

For the month 103,171

6. Removal and Reconfiguration of Stored Materials:

Work has been completed collecting and stacking all whole tires from the interim storage area and cleaning shreds from the fire lanes as required by the draft Stipulation of Settlement and Request for Consent Final Judgement agreed upon by FDEP and FTR.

5. Fire Fighting Equipment and Training:

a. During the month, FTR continued its practice of starting and running each of the fire trucks in its fire battalion and generally checking the condition of the fire equipment.

6. Trust Fund:

a. A \$4,000 deposit was made the Trust Fund established for financial assurance on August 13, 1995. As of August 31, 1995 the balance was \$118,227 including interest.

7. Engineering and Permit Applications:

a. FTR delivered its application for an amended MSSW permit to FDEP on June 2, 1995. The permit modification was received on July 21, 1995.

b. FTR is awaiting approval from St. Lucie county on the application for an amended site plan. Approval is required before an application can be filed for a county storm water management plan and a building permit for the MSSW system.

8. Other:

a. On July 1, 1995, FTR was advised by Chambers Development that they would no longer be using tire shreds for interim cover. The cut off was effective immediately.

b. 100% of the waste tires collected are being processed into TDF for future shipment to fuel users.
