RE: WEEKLY TALLIES (STIPULATION #10G)

MESSAGE

Dear Mr. Kahn,

Please find attached the weekly summary sheet for the period January 9, 1994 through Saturday January 14, 1995.

Please note that TDF shipments were curtailed during the period because one accounts boiler is under renovation and the second account has completed its test burn. In the interim the company has continued to process tires on an "as received" basis and is building a TDF stock pile.

If there are questions please call.

Sincerely,

David Quarterson
