Dear Mr. Eyeington:

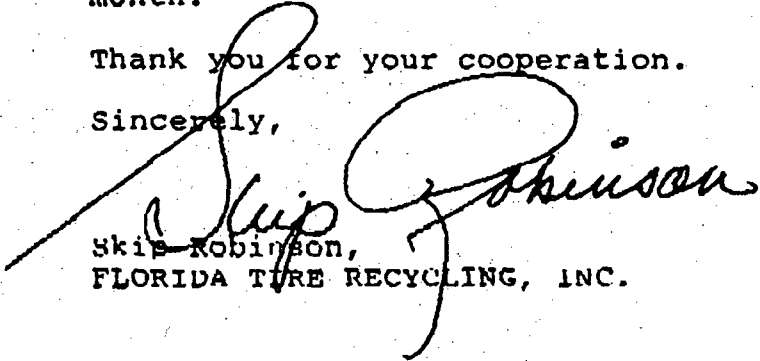

Following our conversation of yesterday I am writing to request a written confirmation of the Authority's policy and pricing with regard to the disposal of waste tires generated in Palm Beach County.

If there are questions with this request, please call me at 407-465-0477. If not, I look forward to receiving your response by return mail or fax (407-489-2124).

On another subject and as we discussed, Florida Tire is interested in discussing any possible synergies which might exist or be developed with your Authority. I look forward to meeting with you and will call for an appointment sometime next month.

Thank you for your cooperation.

Sincerely,

Skip Robinson,
FLORIDA TIRE RECYCLING, INC.
