ENFORCEMENT TELEPHONE LOG
SEFD SOLID WASTE

Name: James Brinsell **Date:** 10/27/92

Company: _____ **Called** / **Was Called**

Phone: _____

RE: F/A Tire

(1) Doesn't agree with TAG report. Will follow with letter

(2) Financial - They have run into a dead end with Loomis company. They have contacted Environmental Insurance companies in Denver & Philly - Companies won't touch it while it is called "closure" - might be able to get a Standard Performance Bond if DER would write agreement for tire disposal terms — I said write or call Janet Bowman

Carol A. Meeds
