

MEMORANDUM

SOLID WASTE DIVISION

RECEIVED

DEC 02 1992

DEPT. OF ENVIRONMENTAL REG.
WEST PALM BEACH

TO: CAROL MEEDS, ENVIRONMENTAL SPECIALIST II

VIA: RONALD K. BROWN, P.E., PUBLIC WORKS ADMINISTRATOR *RKB*

FROM: LARRY YOEMANS, SOLID WASTE OPERATIONS MANAGER *LY*

DATE: November 20, 1992

RE: FLORIDA TIRE RECYCLING

We, at St. Lucie County Landfill have been taking three (3) truck loads of tire chips per day for cover material on a trial period of sixty (60) days, which we documented to see if we could save on dirt cover.

We will let you know how this works out.

Thank you!
