RE: FIRE LANE #4

Dear Mr. Kahn,

Following a conference telephone conversation which included you, Joe Lurix, and Marion Hedgepeth on Friday April 1, 1994, I am writing to confirm Mr. Lurix's statement: at Ms. Janet Bowman's direction Mr. Lurix's response to our request of March 31, 1994 is "fire lane 4 must be put in in accordance with the order".

While the Company will certainly comply, we are disappointed that the DEPARTMENT could not see the logic in FTR's request.

Sincerely,

Skip Robinson
