RE: Florida Tire Recycling

Dear Mr. Lurix,

I have carefully searched our records and found that we have only treated the Florida Tire Recycling site once since 1990: on August 18, 1993. The new information has been added on the attached sheets to make the record consistent with previously submitted information.

If you have any further question, please, let us know.

Sincerely yours,

RE: Florida Tire Recycling

Dear Mr. Evans:

The Department is undertaking enforcement activities at the above referenced facility. We request your assistance in this investigation. Please provide copies of your records concerning this site including:

- dates and times of chemical spraying since September 1990
- concentrations and types of chemicals used
- types of mosquitoes identified at this site

Your prompt response to this inquiry is appreciated.

Sincerely,

Joseph Lurix
