Dear Joe,

When you called last week to schedule a meeting in your office later this month, I asked you for DEP's agenda for the meeting. I have not heard from you since that time.

I believe it important that such meetings be as productive as possible. We cannot begin to prepare for such a meeting without knowing what DEP wishes to discuss or hopes to accomplish.

Hence this hopefully gentle reminder that we are awaiting a response to our request.

Sincerely,

  
David L. Quarterston
