

Florida Department of Environmental Protection

Memorandum

TO: Marshall Seymore, P.E.  19-Aug-2005

FROM: R. J. Prusa 

DATE: August 16, 2005

SUBJECT: Permit Evaluation Summary – 0064386-003-WT
Tire Disposal Services – Jackson County

The review of an application for a permit to operate a waste tire processing facility is complete. The facility, owned by J.E. Merrifield, Inc., and named Tire Disposal Services, is located at 3053 Barnes Lane, in Cottondale, in Jackson County. This facility was previously permitted under DEP Permit Number 0064386-003-WT, which expired on July 31, 2004.

Application

The application was received on June 8, 2005. A Request for Additional Information letter was sent on June 17, 2005. The application was complete on July 26, 2005.

Groundwater Monitoring/Geotechnical/Hydrogeological

Not Applicable

Stormwater

Stormwater control meets the requirements of Rule 62-25, F.A.C.

Closure/Financial Assurance

Financial Assurance cost estimate for \$2,500.00, for closure, was approved on June 24, 2005. Financial assurance documentation (letter of credit) was approved by SWM FA-Tallahassee on July 26, 2004.

Facility Compliance

This facility was found to be operating with an expired Department permit. A SFCO is being prepared for issuance for operation without a Department permit. An inspection on June 13, 2005 found the facility operationally in-compliance. The issuance of this permit can occur once the SFCO is signed and the penalty paid-in-full.
