NOTE: Use one of these forms for each county from which the facility received materials from.

INSTRUCTIONS FOR ANNUAL REPORTING OF CONSTRUCTION AND DEMOLITION (C&D) DEBRIS FACILITIES

A) GENERAL

The owner or operator of the facility shall submit an annual report to the Department on Form 62-701.900 (7). This report shall include a summary of the amounts and types of wastes received and the amounts and types of wastes disposed of or recycled. The county of origin of materials, which are recycled, or a statement that the county of origin is unknown, shall be included in the report. The report shall be submitted no later than April 1 of each year and shall cover the proceeding calendar year. This provision applies to all facilities regardless of the compliance schedules in Rule 62-701.730, F.A.C.

B) REPORTING FORM INSTRUCTIONS

The following instructions are for the **C&D DEBRIS FACILITIES REPORTING FORM**.

For each facility listed in item 5 of the Certification Application Form, fill out a separate reporting form for each county from which the facility received materials from. Please make additional copies of this form as necessary.

ALL ANNUAL REPORTING FORMS, once completed, shall be mailed to the following address:

*Florida Department of Environmental Protection
2600 Blair Stone Road
Mail Station # 4570
Waste Reduction Section
Tallahassee, Florida 32399-2400*

-
- 1) **Name of Facility:** The name of the reporting entity, which is engaged in recycling and disposal activities (as on Permit).
 - 2) **Company Name:** This is the name of the individual facility at the address in item 3 below. If the facility does not have a name to differentiate it from other facilities owned or operated by your company or business, use the business name.
 - 3) **Mailing Address:** This is the actual street address, including city, of the facility (not post office box).
 - 4) **County Location:** The name of the County in which the facility is physically located.
 - 5) **County of Origin:** The County from which the materials came from.
 - 6) **Company Contact:** Person responsible for all permit requirements. This person should be able to answer all questions pertaining to the permit, including materials handled at facility.
 - 7) **Total Tons of Recycled Materials:** Total of the category subtotals. This should be reported in **tons** (2,000 pounds = one ton). ***Please see attached C&D conversion Fact Sheet.***
 - 8) **Total Tons of C&D Recycled Materials:** Enter the total tons of all recyclable materials handled at the facility and any other/additional material not listed.
 - 9) **Total Tons of Solid Waste Disposed:** Total tons of C&D that was disposed in landfill. Please note that any filling of burrow pits, lakes, general fill, or daily/intermediate cover from any component of C&D is considered by the State as disposal and should be reported as such.
