Mr. Merrifield,

Attached please find a copy of the "Closure Cost Estimate Form" (2 page form and 2 pages of info) for your waste tire facility.

I think the last page has the Inflation Factor numbers for 2011 and 2012 which appears to be 1.010 for both years.

If you have any questions, please contact Ross Mitchell at (850) 595-0623 and he will be glad to help you.

Thanks, Mike
