Class I - 2011 Gas Collection and Control System Expansion
Approval of Certification of Construction Report

Dear Mr. Kaiser:

The Department has completed the review of the report titled "Construction Record Documentation Report, 2011 Cells 3,4,5,6 & 7 Gas Collection and Control System Expansion, J.E.D. Solid Waste Management Facility," submitted on your behalf by Golder Associates. The report was dated February 22, 2012 and received by the Department on February 24, 2012. The report and the DEP Form 62-701.900(2) was signed and sealed by Professional Engineer of Record, Mr. Kevin S. Brown, P.E. of Golder Associates. On March 22, 2012 a site visit was conducted by a Department representative to inspect the 2011 Gas Collection and Control System (GCCS) expansion project. On April 17, 2012 the Department received the requested Revised Well As-built Table.

Based upon the report, the Revised Well As-built Table, the site inspection and the certification by the Professional Engineer of Record, the Department concurs that the 2011 Gas Collection and Control System expansion has been completed and is substantially consistent with plans and specifications approved in DEP Permit No. SC49-0199726-017.
