Rayan's Used Tire Wholesale – Waste Tire Processing Facility  
First Request for Additional Information  
Permit Application No. WT48-0314658-001

Dear Mr. Mounir:

The Department has received the application "Waste Tire Processing Facility Permit Application." The application was signed and sealed by Darcy Unroe, P.E. of Unroe Engineering. The application was dated October 12, 2012 and the complete permit fee was received October 22, 2012. We have assigned Permit No. WT48-0314658-001 to the application.

The application is incomplete. Please provide the information listed on the attached sheet promptly. Evaluation of your application will be delayed until all the requested information has been received.

Pursuant to Section 120.60(2), Florida Statutes, the Department may deny an application, if the applicant, after receiving timely notice, fails to correct errors and omissions, or supply additional information within a reasonable period of time. Accordingly, please provide the additional information within 30 days of the date you receive this letter. Submit one copy of the requested information to the Department and reference the above permit application number in your correspondence.

If you have any questions, please contact Kim Rush at (407) 897-4314 or by e-mail at [kim.rush@dep.state.fl.us](mailto:kim.rush@dep.state.fl.us).

Sincerely,

F. Thomas Lubozynski, P.E.  
Waste Program Administrator

Note that all references to “Report” in the following text refer to the document entitled, “Waste Tire Processing Facility Permit Application,” with supporting documents dated October 12, 2012.

1. In the Rayan Used Tire Wholesale Facility Operation document, under Emergency Contacts please add the following:  
FDEP Central District, Switchboard      407-897-4100  
FDEP Central District, Solid Waste      407-897-4304
2. The Department understands that the maximum amount of tires you wish to store on-site at any one time is 20,000 tires. Please provide a quote from a reputable third party for the cost of loading, hauling and disposal of 20,000 tires.

Once the Department has received and approved this cost estimate, you will need to secure a bond for that amount. This needs to be coordinated with our Tallahassee office. Financial responsibility arrangements for the facility for the approved amount are to be made with the Financial Coordinator, Solid Waste Section, MS-4565, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, [solid.waste.coordinator@dep.state.fl.us](mailto:solid.waste.coordinator@dep.state.fl.us).
