Water Quality and Gas Migration Investigation - Approval of Further Actions

Dear Mr. Kaiser:

The Department has reviewed the submittals “Status Report – Soil Vapor Extraction Pilot Test Study,” dated July 30, 2013 and “Water Quality and Methane Gas Migration Investigation” dated August 6, 2013. Both reports were in response to letter OCD-SW-13-1477 dated May 21, 2013 and discussions during the meeting held on July 23, 2013.

The Department approves the discontinuation of the monitoring of the SVE pilot test system, as well as, its removal. The Department also agrees with and approves the further actions outlined in the “Water Quality and Methane Gas Migration Investigation” report as the next steps toward understanding and addressing the water quality and landfill gas migration issue.

If you have any questions, please contact Kim Rush at (407) 897-4314 or by e-mail at kim.rush@dep.state.fl.us.

Sincerely,
