

CERTIFICATION

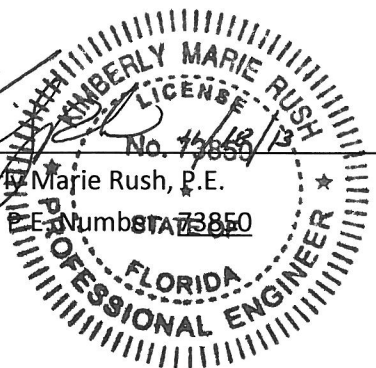

JED Solid Waste Management Facility – Certification of Construction Completion

Class I Landfill – Cell 9 Construction

Victor Damasceno, Ph.D., P.E. of Geosyntec Consultants submitted on behalf of J.E.D. Solid Waste Management Facility “Cell 9 Construction and Quality Assurance Certification Report.” The Report was dated October 31, 2013. Also submitted in support of the Cell 9 construction certification was “Cell 9 Leachate Controls - Appendix V CQA - JED Landfill” dated November 12, 2013 and an email discussion between November 8-12, 2013.

I HEREBY CERTIFY that the engineering features described in the referenced Certification of Construction Completion and supporting information for the construction of Cell 9 at the JED Solid Waste Management Facility Class I Landfill provide reasonable assurance of compliance with the applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Title 62. The construction of Cell 9 has been completed and is substantially consistent with plans and specifications approved in DEP Permit No. SC49-0199726-020. However, I have not evaluated and I do not certify aspects of the proposal outside of my area of expertise (including but not limited to the electrical, mechanical and structural features).
