Subject: Final Notification of Shutdown of Auto Shredder Recycling Operations
JED Solid Waste Management Facility
Omni Waste of Osceola County, LLC
Osceola County, Florida
Permit No. SO49-0199726-022

Dear Mr. Lubozynski:

Please accept this written notification that the auto shredder residual (ASR) recycling operations at the JED Solid Waste Management Facility (facility) are being permanently shut down effective December 31, 2013. Special Condition C.18(c), Permit to Operate No. SO49-0199726-022, requires the permit holder to notify your Department 30 days in advance of planned closure of the operations. The 3rd party operator has processed all stockpiled ASR material, and removed all equipment and recycled materials from the last operating location in the active disposal area. Equipment has been staged near our maintenance shop facility and will be transported offsite by the end of January 2014, thereabouts.

If you have any questions or require any additional information, please contact me at (904) 673-0446 or mkaiser@wsii.us at your earliest convenience.

Sincerely,
