|                   | Beginning Inventory | Received | Processed | Consumed | Removed | Adjustments | Ending Inventory |
|-------------------|---------------------|----------|-----------|----------|---------|-------------|------------------|
| Used Tires        |                     |          |           |          |         |             |                  |
| Other whole Tires | 6                   | 276      | 224       |          | 52      |             | 6                |
| Processed tires   |                     |          |           |          |         |             |                  |
| Processing Waste  |                     |          |           |          |         |             |                  |
| Other             |                     |          |           |          |         |             |                  |
| Total             | 6                   | 276      | 224       |          | 52      |             | 6                |

- Explain all inventory adjustments. \_\_\_\_\_
- List any period in which one or more category of inventory exceeded the permitted maximum for that category. How was that condition relieved? \_\_\_\_\_

For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary. \_\_\_\_\_

### 9. Certification:

To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
