Subject: RE: Annual Report and New Registration

Hi Lauren

I am writing this in regard to Forever Recycling LLC. This is a Rec. yard in Pahokee FL which was permitted as Action Enterprises LLC. In the year 2013. In 2014 we had the name changed to Forever Recycling LLC. You sent me this email with the instruction on how to change the name with your dept. I sent the annual Report for 2013 on line. I sent the New registration in the mail because I sent a check with it. I didn't get my new reg. the check was a Waters Edge LLC. Check # 1031. The date on the check was 7/12/14. Below is an email from Environmental Public Health. As you can see they want me to show them my permit from you and I can't see where I got it yet. Could you send me a copy.

Thank you

Daniel Casey

Forever Recycling LLC.

PS Environmental Public Health wrote the name backwards. Just so we are all looking at the same name its Forever Recycling LLC

Good afternoon, Dan:

Thank you for the opportunity to better understand the situation at the yard trash recycling facility in Pahokee, Florida. As I understand it from our telephone conversations yesterday and today (9/16 and 9/17, respectively), the facility title of "*Action Enterprise*" will not be used; you are actively using the facility title of "*Recycling Forever*". It is also my understanding (from our conversation today) that the co-mingled household trash we observed in the yard trash piles during our inspection onsite yesterday (including mattresses, plastics, painted and pressure treated wood, etc.) will be removed from those piles by the time we return for re-inspection next Tuesday (September 30, 2014).

Additionally, please be aware that you may be operating in violation if you have not secured proper permitting or entitlement for the yard trash recycling activity. We need to assure that the facility has been properly permitted which, to date, we have not been able to do. Our review of recently permitted facilities in the FDEP database for "*Recycling Forever*" has not been productive. Please copy our office on any documentation confirming proper permitting either by email or facsimile (listed below).

If you have any questions, please contact me by email or using the phone number below.

Sincerely,

For the Division Director
