Approval of 04-21-2008 Cost Estimate

Dear Mr. Laurencio:

Guerra Development Corporation submitted a "Financial Assurance and Cost Estimate Form" on your behalf. It was dated and signed April 21, 2008 by you and Juan Guerra, P.E. The new detailed cost estimate was submitted to address the comments in the Department's e-mail, "Comments about Detailed Cost Estimate," dated April 2, 2008 (OCD-SW-08-0162).

The Department accepts the April 21, 2008 detailed cost estimate as adequate for the site at this time. (The documentation has been filed in our electronic filing system, Oculus.) On page 6 of 11, the subtotals for Closing Cost Subtotal (\$1,057,214.53) and Site Specific Costs (\$234,300.00) were not added correctly. The correct totals should be

- a. \$1,291,514.53 (not \$1,347,591.43) for Total Closing Costs
- b. \$ 298,485.00 (no change) for the long-term care of the facility
- c. \$1,589,999.53 for total cost of closure and long-term care.

A financial mechanism must be funded in the amount of the sum of the total closing costs and long-term care costs specified above. The financial mechanism must be accepted by the Department's Financial Coordinator, Frank Hornbrook, Solid Waste Section, MS-4565, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400.

If you have any questions pertaining to this cost estimate review, contact me by email at Tom.lubozynski@floridadep.net or by phone at 407-893-3327.

Sincerely,

F. Thomas Lubozynski, P.E.
Waste Program Administrator
