File No. SWV 91-2
Pasco County

NOTICE OF INTENT TO GRANT VARIANCE

The Department has reviewed a petition for variance filed on behalf of Pasco County, pursuant to Chapter 403.201(1)(c), Florida Statutes (F.S.). The petitioner seeks a variance from the provision of Section 403.708(15)(c), F.S., which prohibits the disposal of yard trash in lined landfills after January 1, 1992. The Department hereby gives notice of its intent to grant a variance for Pasco County's Class III landfill. The Department finds that a variance is necessary to prevent undue hardship to the petitioner, for the reasons stated in the petition.

The variance is subject to the following conditions:

1. This variance is valid for a period of 2 years. During this time the Petitioner shall complete construction of a yard trash composting facility. When the facility is completed, the Petitioner shall cease disposal of yard trash in the Class III facility.

2. The Petitioner shall attempt to separate yard trash from other trash prior to disposal so that the yard trash is amenable to recovery for composting in the future.

Pursuant to Section 403.815, F.S., and DER Rule 17-103.150, F.A.C., you are required to publish at your own expense the enclosed Notice of Proposed Agency Action. The notice shall be published one time only within 30 days in the legal ad section of a newspaper of general circulation in the area affected. For the purpose of this rule, "publication in a newspaper of general circulation in the area affected" means publication in a newspaper meeting the requirements of Sections 50.011 and 50.031, F.S., in the county where the activity is to take place. Where there is more than one newspaper of general circulation in the county, the newspaper used must be one with significant circulation in the area that may be affected by the permit. If you are uncertain that a newspaper meets these requirements, please contact the department at the address or telephone number listed below. You must provide proof of publication to the Department at the address listed below within seven days of publication.

The Department's Intent to Grant Variance will become final unless a petition for an administrative proceeding is filed pursuant to the provisions of Section 120.57, F.S. A person whose substantial interests are affected by the Department's proposed action may petition for an
