MIAMI-DADE COUNTY DEPARTMENT OF REGULATORY AND ECONOMIC RESOURCES NOTICE OF PROPOSED AGENCY ACTION

The Department of Regulatory and Economic Resources, under
delegation of the Florida Department of Environmental Protection, gives
notice of its intent to issue a permit to the applicant, JE Tires of Florida,
LLC, to operate a Waste Tire Processing facility limited to the acceptance
and storage of used tires located at 2373-75 NW 149 Street, Opa-Locka,
Florida. The applicant's mailing address is 1429 NW 165 Street, Miami
Gardens, FL 33169. The Department's file (FDEP File No. 0321889-001-
WT/WACS No. 101541/DERM File No. SW-1849) on this matter is
available for public inspection by contacting the Records Management
Section file clerk at (305) 372-6718 and making an appointment to view
the files during normal business hours, 8:00 a.m. to 5:00 p.m., Monday
through Friday, except legal holidays, at 701 NW 1st. Ct., 3rd Floor,
Miami, Florida 33136.

The Department's proposed agency action shall become final unless a
timely petition for an administrative hearing is filed under Sections
120.569 and 120.57 of the Florida Statutes, before the deadline for filing a
petition. The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the Department's
proposed agency action may petition for an administrative proceeding
(hearing) under sections 120.569 and 120.57 of the Florida Statutes. The
petition must contain the information set forth below and must be filed
(received) in the Office of the Miami-Dade County Attorney, 111 N.W. 1st
Street, Suite 2810, Miami, Florida 33128.

Petitions filed by any persons other than those entitled to written notice
under section 120.60(3) of the Florida Statutes must be filed within
fourteen (14) days of publication of this notice or receipt of the written
notice, whichever occurs first. The petitioner shall mail a copy of the
petition to the applicant at the address indicated above at the time of filing.
The failure of any person to file a petition within the appropriate time
period shall constitute a waiver of that person's right to request an
administrative determination (hearing) under sections 120.569 and
120.57 of the Florida Statutes, or to intervene in this proceeding and
participate as a party to it. Any subsequent intervention (in a proceeding
initiated by another party) will be only at the discretion of the presiding
officer upon the filing of a motion in compliance with Rule 28106.205 of
the Florida Administrative Code.

A petition that disputes the material facts on which the Department's
action is based must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;
- (b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
- (c) A statement of when and how the petitioner received notice of the agency action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;
- (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules and statutes; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301 of the Florida Administrative Code.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available in this proceeding.
