RE: Sarasota Central County Solid Waste Disposal Complex (SCCSWDC)
Citizen's Convenience Center
Permit #130542-002-SO/01
Certification of Construction Completion

Dear Mr. Coggins:

The Department has reviewed the Certification of Construction Completion and related record documents for the Citizen's Convenience Center constructed at the Sarasota County Central County Solid Waste Disposal Complex. The certification documents were prepared by PBSJ dated April 1, 2008 (received April 4, 2008). In addition to reviewing this information, Department staff observed the completed construction on April 30, 2008.

Based on the information submitted and the site inspection, the Department Solid Waste Section **approves** the certification documentation and operation of the Citizen's Convenience Center in accordance with permit 130542-002-SO/01.

Please be reminded that this approval does not relieve the permittee from compliance with other Department rules or facility permits. If you have any questions, please contact me at (813) 632-7600 ext. 386, or susan.pelz@dep.state.fl.us.

Sincerely,

Susan J. Pelz, P.E.
