Approval of Certification of Construction Completion – 2014 Landfill Gas Collection and Control System Expansion

Don Grigg, P.E., of Golder Associates submitted on behalf of JED Solid Waste Management Facility the document titled, "*Construction Record Documentation Report 2014 Gas Collection and Control System Expansion*" (dated April 1, 2015, received April 6, 2015).

I HEREBY CERTIFY that the engineering features described in the referenced Certification of Construction Completion report for expansion of the gas collection and control system of the JED Solid Waste Management Facility Class I Landfill provide reasonable assurance of compliance with the applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Title 62. However, I have not evaluated and I do not certify aspects of the proposal outside of my area of expertise (including but not limited to the electrical, mechanical and structural features).

Allen Rainey conducted this review under my direct supervision.
