

**FLORIDA DEPARTMENT OF
ENVIRONMENTAL PROTECTION**

MEMORANDUM

To: Andrew Joslyn, Permitting Program Administrator
From: Dawn Templin, P.E. 
Date: April 4, 2016
County: Jackson
Facility Name: Tire Disposal Services
Applicant/Permittee Name: J.E. Merrifield, Inc.
DEP File No.: 0064386-005-WT
Facility Identification No.: 6475
Subject: Permit Evaluation

This facility is located at 3053 Barnes Lane, Cottondale, Jackson County, Florida. This is an existing facility whose permit expired on January 13, 2016. The facility has not operated since the permit expiration date, and will recommence operations once the renewal permit is issued.

Application

The permit application was received on January 29, 2016. The 1st RAI was sent on February 2, 2016. Partial responses were received on February 12, 2016. The permit application was made complete on April 1, 2016, by updating the required financial assurance mechanism.

Stormwater

This is an existing facility with no proposed changes to the facility being requested in the permit renewal.

Closure/Financial Assurance

Closure cost estimates are approved in the amount of \$3,600.00. The facility is in compliance with the financial assurance requirements per the April 1, 2016, letter from Susan Eldredge.

Facility Compliance

An inspection of the site was conducted on July 14, 2015, by Mike Stephen. The facility was found to be in compliance with Department Rules, with the exception of financial assurance, which was resolved with the updated financial assurance approved on April 1, 2016.

I recommend issuance of the permit renewal.
