Re: 2016 Closure Cost Estimate dated March 29, 2016 for the American Tire Recycling Group, LLC facility (FDEP File No. 0303329-002-WT / WACS No. 99254 /DERM No. SW-1731) located at, near, or in the vicinity of 3551 NW 116 Street, Miami, Miami-Dade County, Florida.

Dear Mr. Reviati:

The Environmental Permitting Section (EPS) of the Department of Regulatory and Economic Resources-Division of Environmental Resources Management (DERM), under delegation by the Florida Department of Environmental Protection (FDEP), hereby acknowledges receipt of the referenced closure cost estimates on April 01, 2016. The EPS has completed the review of said estimate and hereby approves it for **\$ 20,500.00**.

The above referenced closure cost estimate amount constitutes a reduction of the previously approved estimate for the subject facility. Accordingly, in accordance with FDEP rules, be advised that reductions in financial assurance mechanism amounts require prior permission from the FDEP's Solid Waste Financial Coordinator. The FDEP coordinator will address any such authorization(s) to the issuing institution(s) and will specify the instrument(s) to be modified.

Please contact the FDEP Solid Waste Financial Coordinator in Tallahassee at (850) 245-8732 concerning compliance with financial assurance requirements. All financial assurance documents (if required) shall be sent to the address below for review and processing.
