Ms. Pelley:

The Florida Department of Environmental Protection Southwest District received the Waste Tire Processing Facility Quarterly report prepared for the 1<sup>st</sup> Quarter of 2016, dated 01/12/2016, for the Hillsborough County Southeast Landfill Waste Tire facility. The Department has reviewed and processed the report. Please note there appears to be a typo with report dates (October 2016 – December 2016) on the cover page. The Department has processed it as a 1st quarter submittal, there is no need to send the Department a revised report.

Best Regards,

*Javier Ramirez*
